Expected: May 2021

- GPA: 3.8
- Received full-ride scholarship + \$3000 stipend per semester to attend UT Dallas as an honors student.

Work Experience

Protiviti

Dallas, TX

Incoming Technology Consultant

Start Date: Jul. 2021

- Will be starting full-time work as a consultant in Protiviti's Technology Strategy and Operations division.

RippleMatch

Dallas, TX

Leadership Development Intern

Jan. 2021 – May. 2021

- Selected from a pool of thousands of candidates to work closely with leaders of RippleMatch's Leadership Team.
- Leveraged various growth strategies and tools including social media, email marketing, presentations, and peer and faculty member networking to grow the user base and awareness on campus.
- Strategically assessed growth and performance metrics to improve, change and/or help design new growth strategies.

PricewaterhouseCoopers (PwC)

Dallas, TX

Tax Technology Development Intern

Jul. 2020 – Aug. 2020

- Because of COVID-19, the internship was condensed into a 2-week digital upskilling program.
- Learned how to use data analytics tools such as Alteryx and Tableau to improve decision making.
- Completed 20 hours of material to receive a certification badge in Human-Centered Design.

Coldwell Banker Richard Ellis (CBRE)

Dallas, TX

Cost Consultancy Intern

Jun. 2019 – Aug. 2019

- Performed QA testing on CBRE's Cost Consultancy web application that was deployed to client, Uber.
- Automated testing at a speed of 200+ test cases in 15 mins, saving 48 hours per manual testing of the app.
- Reported 70+ bugs and communicated with both project managers and developers on ways to improve the product.
- Helped organize scrum events to keep a cross-functional team of 11 people on schedule with the project.
- Presented my work/accomplishments to CBRE's Chief Administrative Officer at the end of the internship.

Nokia

Irving, TX

5G RAN Intern

Jun. 2018 – Aug. 2018

- Built and presented 5G use cases to executives from Apple, T-Mobile, Verizon, and AT&T.
- Programmed a blockchain demonstration app that is still being used today to showcase 5G to Nokia customers.
- Constructed a 55-inch voice-activated smart mirror which was placed at the entrance door to greet people.
- Conversated with the CEO and Vice President of Nokia regarding how 5G will impact young adults in the future.

Leadership

Soccer For Nepal – Founder

Jan. 2015 – Present

- Founder of 501(c)(3) nonprofit organization that has donated 500+ pairs of cleats to underprivileged children in Nepal (<https://tinyurl.com/soccerfornepal>).
- Worked with Nepalese national team soccer coaches to organize youth teams for both boys and girls.
- Received email recognition from former president Barack Obama regarding the organization and its mission.

UT Dallas Men's Club Soccer – President/Captain

Jan. 2019 – May 2021

- Led a club with 100+ players to compete in the Texas Collegiate Soccer League by organizing tryouts, practices, and games.
- Competed against colleges from Texas, Oklahoma, New Mexico, Missouri, Louisiana, Kansas, and Arkansas.

Projects

Augmentify – Apparel Brand

Apr. 2020 – Present

- Created an augmented reality brand where people can purchase products with custom augmented reality capability (www.augmentifyshop.com).
- Currently working with design and marketing companies for the brand's relaunch set for August 2021.

Mutu – Nepalese Dating App

Feb. 2018 – Jun. 2020

- Planned, developed, and marketed my dating app to 800+ Nepalese users worldwide. (<https://tinyurl.com/mutusite>).
- Conducted user interviews with Nepalese young adults from all over the world to improve the app.

Emails for Justice – Website

Jun. 2020

- Made an automatic email template tool which helped people send 3000+ emails to numerous government officials regarding the unlawful killings of black men and women during the week of the George Floyd's murder (<https://petitionemails.github.io/>).

UTDrone – Autonomous Drone

Aug. 2020 – May 2021

- Leading a team of 7 people to design and build an autonomous drone for my senior capstone project, which will be presented to the defense contractor company, Raytheon Technologies.
- Wrote code, assembled hardware, and conducted weekly meetings with representatives from Raytheon.
- Won 3rd place out of 22 teams that participated in the Fall 2020 senior design presentation exhibition.
