Academic Excellence Scholarship Recipient   GPA = 3.804

- Received full-ride scholarship + $3000 stipend per semester to attend UT Dallas as an honors student.

Work Experience

Protiviti, Dallas, TX – *Technology Consultant*   Jul. 2021 – Present

- Currently on an engagement with a client in the hospitality industry as a data analyst and digital transformation consultant.
- Develop workflows using Power Apps, Power Automate, and SharePoint to automate capital expenditure tracking, form approvals, and monthly data certifications for the client's 120+ locations.
- Work with the client's Chief Information Officer throughout all stages of the Software Development Life Cycle (SDLC), including requirements gathering, analysis, design, testing, production, and support.

PwC, Dallas, TX – *Tax Technology Development Intern*   Jul. 2020 – Aug. 2020

- Because of COVID-19, the internship was condensed into a 2-week digital upskilling program.
- Learned how to use data analytics tools such as Alteryx and Tableau to improve decision-making.
- Completed 20 hours of material to receive a certification badge in Human-Centered Design.

CBRE, Dallas, TX – *Cost Consultancy Intern*   Jun. 2019 – Aug. 2019.

- Performed QA testing on CBRE's Cost Consultancy web application that was deployed to the client, Uber.
- Facilitated Scrum events to keep a cross-functional team of 11 people on schedule with the project.
- Collaborated with the product owner to create a data-driven testing plan for developers to address 200+ bugs in the application.

Nokia, Irving, TX – *5G Engineering Intern*   Jun. 2018 – Aug. 2018

- Built and presented 5G use cases to executives from Apple, T-Mobile, Verizon, and AT&T.
- Programmed a blockchain demonstration application to showcase 5G to Nokia customers.
- Constructed a 55-inch voice-activated smart mirror which was placed at the entrance door to greet people.

Leadership

Soccer for Nepal – *Founder*   Jan. 2015 – Present

- Founder of 501(c)(3) nonprofit organization that has donated 500+ pairs of cleats to underprivileged children in Nepal (www.soccerfornepal.org).

Entrepreneurship

Augmentify – *Brand*   Sept. 2021 – May 2022

- Created an augmented reality brand where people can purchase products with custom augmented reality capability.

Mutu – *Nepali Dating Application*   Feb. 2018 – Jun. 2020

- Planned, developed, and marketed my dating application to 800+ Nepalese users worldwide.
